Step-3 Complete the Course in Nasscom Portal

Process to Access the Course and Certificate

1: Log in to the FutureSkills Prime (FSP) platform using your registered credentials.

The screenshot shows the FutureSkills Prime (FSP) platform login page. The browser address bar displays `futureskillsprime.in`. The page header includes the Nasscom logo, a search bar, and links for `support@futureskillsprime.in`, `Sign Up for Free`, and `Log In`. The main navigation bar features links for `Explore Programs`, `nasscom Certification`, `Govt Incentive`, `About Us`, `Employability`, and `Resources`. The main content area features a large banner for Adobe Creative Cloud with the text "New from Adobe! Learn industry-relevant Creativity and GenAI skills from Adobe at no cost and strengthen your resume. Get free licensed access to Adobe Creative Cloud, including Photoshop, Premiere, Express, Firefly, and more.*" and an `Enrol Now` button. A sidebar on the right displays a welcome message "Hi Sakshi, Welcome Back!" and a login form with fields for `Password` and `Remember Me`, a `Login` button, and links for `Forgot Password` and `Change Account`. At the bottom, there is a red banner with the text `START LEARNING FOR FREE` and `Unlock you`.

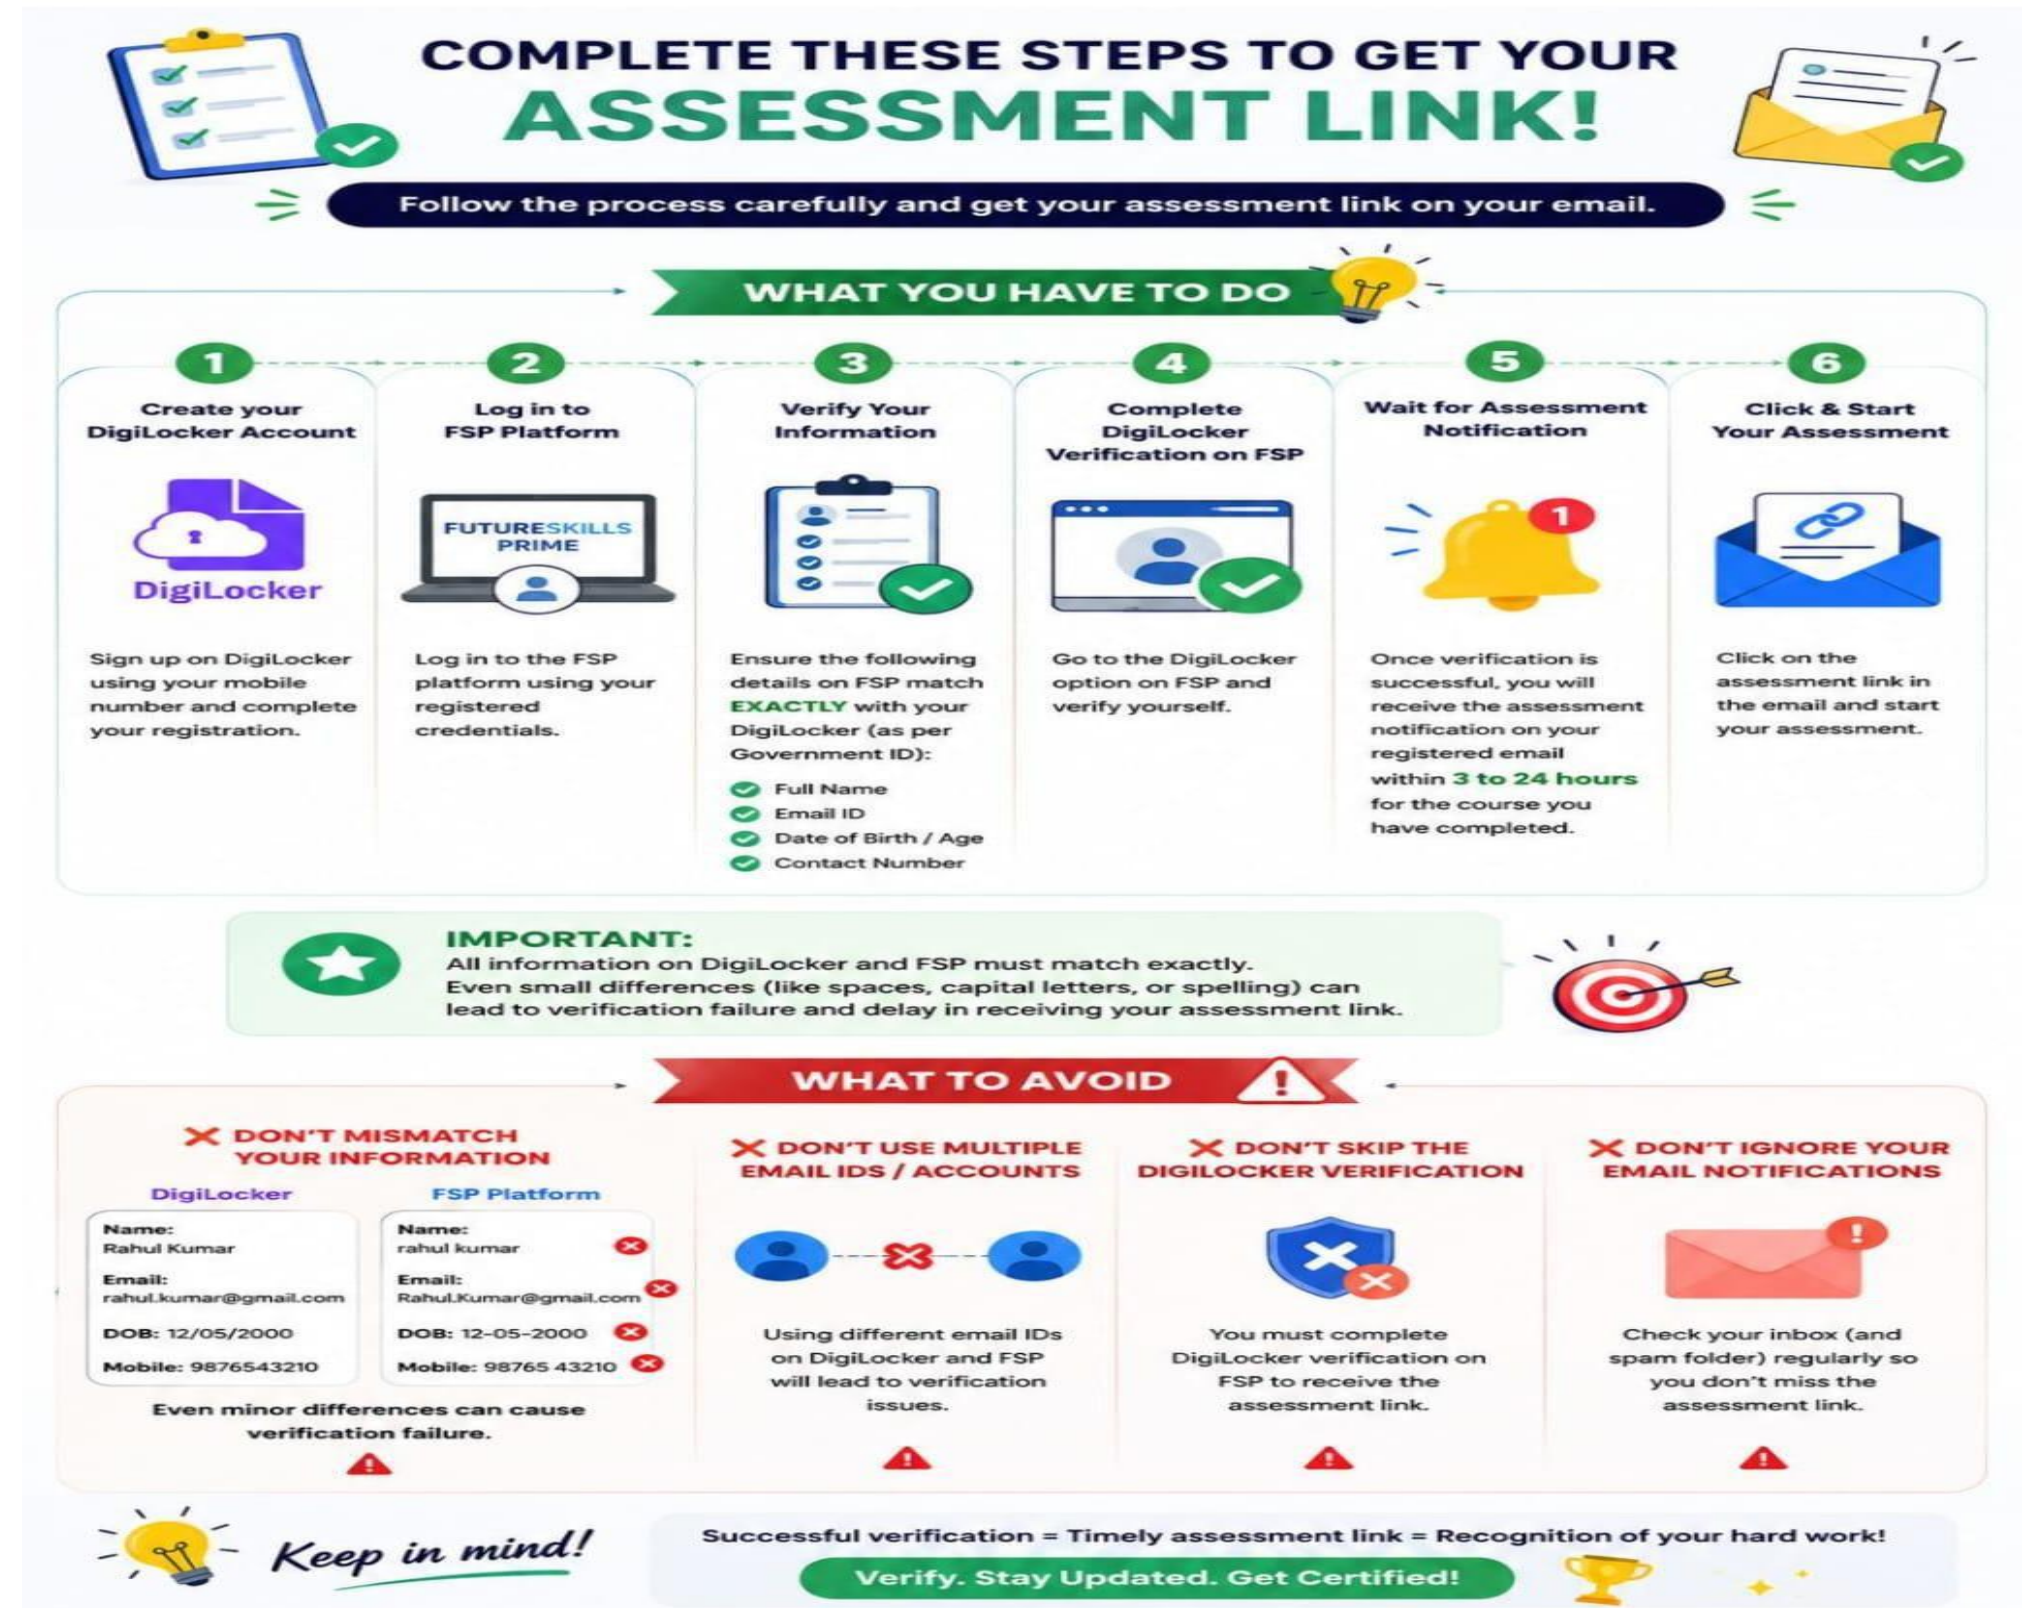

2: Enroll in the Exploratory Data Analysis course (This Course is mandatory for Students from any track) and complete all the required modules

The screenshot shows the website futureskillsprime.in/course/exploratory-data-analysis/. The page features a header with navigation links: Explore Programs, nasscom Certification, Govt Incentive, About Us, Employability, and Resources. The main content area displays the course title "Exploratory Data Analysis" by Accenture, marked as "Free". A blue "Enrol" button is visible. The background image shows two women in business attire looking at a tablet and a large screen displaying a bar chart. A chatbot bubble at the bottom right says "Hey there! How can we help you?". A red banner at the bottom contains the text "START LEARNING FOR FREE" and "Unlock your potential!".

Once you have successfully completed the course, the certificate will be generated and made available within one week.

Step-4 Complete the Course Assessment in Nasscom Portal

Step-5 Project Submission

Students are required to submit their project work in the final phase of the program under the guidance of their mentor.

After the successful submission of the project work and completion of the FSP requirement, IBM Certification access will be provided to the students.

Step 6 Learner Ledger Activated by Nasscom

Once Learner Ledger is activated, follow the steps below:

1. Log in to your FutureSkills Prime (FSP) portal.
2. Go to your Dashboard.
3. Open “Learner Ledger / My Ledger.”
4. Click on “Apply for Incentive.”

Once this action is completed, the status will change to “Incentive in Progress.”

Important Note:

After completing the above steps, student will receive an email from CDAC (donotreply@fsprimedbtl.in) within approximately one week, requesting you to upload the remaining documents (such as Aadhaar verification and bank details required for stipend disbursement).

Step-7 Upload Document on CDAC Portal

You will receive an email from CDAC (donotreply@fsprimedbtt.in).

Photograph (Mandatory)

Upload your photograph on the CDAC portal as per the instructions mentioned in the email.

Government ID Proof

Upload a self-attested scanned copy of any valid government ID in PDF format.

Bank Account Details

Upload a self-attested scanned copy of your bank account proof in PDF format.

Once all the above documents are successfully uploaded and verified, the stipend amount will be credited directly to your bank account post verification.

Thank you!
